### *Niagara-on-the-Lake Golf Club*

*Originally founded in 1875, our Golf Course is grounded in tradition and history. As you walk along this full length 9 hole course, you will be treated to some of the most scenic views in the area. The entire course runs along the shores of Lake Ontario and many holes are elevated just above the shore's edge. You will also feel the history of the course as it is located on the grounds involved in the War of 1812. In fact, located at the end of the first hole is Fort Mississauga and its moat (no longer water filled). Across the water you will be able to see Fort Niagara on the shores of New York State in the USA. We know you will enjoy the splendor and tranquility of our beautiful course and we look forward to serving you here at the Niagara-on-the-Lake Golf Club.*
